### AMENDMENT A

Dear Madam:

In response to the Office Action mailed April 20, 2005, please amend the above identified application as follows:

In the specification, please modify the specification as shown in the Specification Amendment of this amendment.

In the claims, please modify the claims as shown in the Claim Amendment section of this amendment.

The Remarks section of this amendment addresses each of the rejections of the last office action.

Appendix A of this amendment includes evidence that this invention has been licensed to L&N Sales and Marketing (also known as Scunci International), now a part of Conair Corporation. A photocopy of the signature sheet of the licensing agreement with L&N Marketing and Sales has been included as Appendix A (for confidentiality reasons the remainder of the agreement has not been included). However, if requested by the examiner, applicant can supply relevant evidence of the licensing agreement with L&N Sales and Marketing. Additionally, a sample package being used commercially for this product is also included as evidence that the device of this invention has been licensed and is being sold commercially.
